FRIDAY EVENING, JUNE 3.

LOCAL NEWS.

For this district southwesterly winds, fair weather, slightly warmer.

CITY SCHOOL BOARD.—The regular a onthly meeting of the board was held last night; present: Hen. Charles E. Stuart, hairman, Messrs. Aitcheson, W. F. Carne, Fendall, Mankin, Marbury, Strauss, Sweeey and Vincent, trustees, and Richard L.

Carne, Superintendent of Schools.

The minutes of the last meeting were

read and approved. The chair appointed Mr. Sweeney on the Committee on Complaints and Grievances.

A bill of R. W. Avery for \$26,60 for sundies was ordered to be paid.

The usual appropriation for cards of honor and medals was made. On motion of Supt. Carne, it was ordered

that the schools close on the 27th, 28th, 29th and 30th of June.

Supt. Carne, from the Committee on Schoolhouses and Furniture, reported that a high, strong fence had been erected around Seaton building at all points where it did not adjoin lots upon the front of which there were houses closely situated together and that the committee had offered to pay half the cost of new fencing for those if the owners would pay the other half. He also stated that from a letter received last week from the Superintendent of Public Instruction, he felt almost sure of having one of the Normal Institutes at Alexandria, and asked the return to him of money granted in 1871 by the Peabody Fund for holding an institute, and used for fitting up Peabody Hall, in order that it might be expended now for printing in connection with the

ordered. That the sum of \$21.35 belonging to the Peabody fund and expended by the Superintendent of Schools in fitting up Peabody Hall, be returned to him for purposes connected with the proposed Normal Institute.

Mr. W. F. Carne, from the Committee on the Library, reported the following resolu-tions, which were unanimously adopted,

Resolved, That this board is willing that the Reading Circle of Washington and Lee public schools shall unite with the Young Men's Christschools shall unite with the Young Men's Christian Association and any other associations that may desire to co-operate in the reopening of the Alexandria Library at its present location, and that so long as said library shall be open for the public use, there shall be no charge for room-rent.

Resolved, That the clerk be directed to respond to the letter addressed to this board by the Young Men's Christian Association of Alexandria, and

inquire what provision the Association proposes to make to return the library in case the Christian Association becomes dormant; what provision for the safety of the books in case of fire at the Christian Association building will be made, and in what manner it proposes to give the public the free use of the library.

The board then adjourned.

FATAL SHOOTING.-Robert Holland, colored, shot and instantly killed his ten year-old brother Joseph at their home, on the north side of the canal, about nine o'clock last night. The mother of the boys had last night. The mother of the boys had been engaged for some days past in picking peas on a truck farm in Maryland, just opposite the city, and had not returned when the tragedy was enacted. The boys, with their two young sisters were in the house by themselves, when Robert, imagining the party were in danger from robbers in the house of their neglections. in the absence of their mother, produced a plstol which he proceeded to load. His brother Joseph was sitting on a bed in the room at the time, when from some unexplained cause the weapon was discharged, the ball from which penetrated his heart causing instant death. Dr. Jones was summoned but found the boy dead upon his arrival. It was at first reported that the shooting was intentional on the part of Robert, but the facts in the case sufficiently proved it to have been accidental.

THINKING OF RESIGNING.—It is learned that about ninety dollars in every one hun-dred which are now tendered City Treasurer dred which are now tendered City Treasurer Harlow in payment of State taxes or licenses are offered in coupons, which, under the State laws, he has to refuse. Under the decisions of the U. S. Courts he is prevented from levying for taxes in cases where coupons have been tendered, so he is literally in the position of the man who is damned if he don't. So distrateful does and damned if he don't. So distrateful safed pleasure. does and damned if he don't. So distasteful have the duties of his office become to Treasurer Harlow that he is seriously consider ing the advisability of resigning, and in case he so decides the city would lose one of its best officers, for never have the finances of Alexandria been better managed than during the time he has been its treasurer.

Young Mens' Christian Association .-The regular quarterly meeting of the Young Mens' Christian Association was held at their rooms yesterday afternoon. The cost of furnishing the rooms of the association, as shown in the report of the furnishing committee, is about \$385. Every article of fur-niture purchased has been bought in this city, or ordered for the association by our own merchants, who, without an excep-tion, reduced prices. A number of handsome and useful articles have also been presented to the rooms, among them a beautiful stuffed peafowl, by Mr. Eli Janney; a clock by Mrs. Benj. Barton; a water cooler by the President of the Womens' Auxilary and other gifts by friends of the association.

Concert.—The concert given last night at the Opera House, by the Alexandria Musical Association, for the benefit of the notice officer $\begin{array}{c} \text{nov23} & \text{J. C. MILBURN.} \\ \hline \text{DOYS' EXTRA SIZED HEAVY RIBBED} \\ \text{HOSE, 9 and 912; 1214c at} \\ \text{nov6} & \text{AMOS B. SLAYMAKERS.} \\ \end{array}$ widow and orphans of the late police officer Julian Arnold was a success in every par-ticular. The audience was fair, and the music good. The special feature of the programme was the singing of Miss Florence Grigg, of Washington. The officers and members of the association deserve credit for the interest they manifested in this laudable undertaking. The net receipts were about \$200.

NEW YORK, June 3 .- The opening of the stock market was firm to strong, first prices showing advances over yesterday's final figures of from 1, to 36. The market was only fairly active at the opening and soon became dull, except for the few leading stocks, among which was Richmond and West Point. Prices were heavy in the early dealings and fractional declines were established throughout the list. A slight reaction occurred toward 11 o'clock, but at that hour the market was again quiet and heavy. Money easy at 4a5.
